

MSMH QEEG Practicum

Thursday 27 – Friday 28 January 2022

Venue: [Quest Toowoomba](#), 133 Margaret Street, Toowoomba, QUEENSLAND

In order to attain the **MSMH QEEG Didactic Certificate**, participants must complete a [36-hour Didactic Training](#) inclusive of a 12-hour practicum addressing:

- Module 8: Practicum, recording EEG & ERPs, artifacting, montages & displaying data (6 hrs)
- Module 9: QEEG Analysis & Neurofeedback Application (6 hours)

NB: The IQCB exam will be proctored on Saturday 29/01/22, 8.30–11.30am. Candidates must preregister by ensuring these steps have been completed:

1. apply for online accounts access for IQCB at <https://geegcertificationboard.org/account/log-in/> (this is where you will be given access to the latest exam reading list) and;
 2. apply for a Certemy profile to track your certification progress <https://iqcb.certemy.com/entry/self-enrollments/QEEG-Candidate/595d6334-756e-4d28-9ded-9a0ef477af71> and **make payments**.
 3. go to the [IQCB Examination step and pay for the exam](#), and
 4. commit to the IQCB [Professional Standards and Ethical Principles](#) by endorsement online.
- After completing your application and paying the application fee, you will be assigned a credential path (QEEG-Diplomate or QEEG-Technician) based on your application.
 - If you have completed these steps, you will receive an email from the IQCB Administrator to confirm your readiness to sit the exam.
 - You do not need to arrange for proctoring as Michelle is an approved IQCB proctor.

Training Schedule

Day 1, Thursday 27/01/22	9am – 5pm: QEEG Course Module 8 QEEG Blueprint of Knowledge: Overview of Essential Skills for QEEG Practicum, recording EEG & ERPs Artifacting & Data Displays (Montages, EEG spectra and topographies)
Day 2, Friday 28/01/22	9am – 5pm: QEEG Course Module 9 QEEG Analysis, Reporting, Recommendations & Neurofeedback Applications
Day 3, Saturday 29/01/22	8.30am – 11.30am: IQCB Board Exam <i>Proctor, Michelle Aniftos - OWN LAPTOP ESSENTIAL; WIFI available; Personal Data recommended as any Internet dropout will result in you needing to recommence exam.</i>

MSMH Neurofeedback Practicum

Saturday 29 – Sunday 30 January 2022

Venue: [Quest Toowoomba](#), 133 Margaret Street, Toowoomba, QUEENSLAND

Candidates pursuing BCIA-A Certification in Neurofeedback must complete a 36-hour Didactic Training (e.g., with [NIA](#), or [ANFI](#)) inclusive of 25 hours of practical skills training to address Instrumentation & Electronics, Patient/Client Assessment, Developing Treatment Protocols, and Treatment Implementation. Michelle Aniftos will offer a 2-day refresher and intermediate skills training workshop to strengthen the knowledge and skills of candidates pursuing BCIA-A Certification. The program may also be helpful for potential candidates who may benefit from experiential learning to inform their decision-making. Participant will receive 10 hours Practical Skills Mentoring.

Saturday 1pm – 5.30pm: Refresher re EEG & Assessment Models informing Neurofeedback

Sunday 9am – 5pm: Case Presentations, Protocols, Practical Skills in Clinical Neurofeedback

Q/EEG Practicum REGISTRATION FORM

Surname:		Given names:	
Postal address:			
State:	Postcode:	Country:	
Email:			Mobile:

Please indicate if you are able bring any of the following items to maximise your engagement & learning:

- laptop computer to practise Q/EEG Practical Skills
- QEEG Amplifier to practise data collection (**must be compatible with WinEEG software**)
- HBI Database Dongle (licence)
- Neurofeedback Software, licence key and Amplifier

Select Relevant Fees:

- 1. Delegate registering for Thursday & Friday QEEG Practicum only = \$720 + GST
- 2. Delegate registering for Thurs/Fri QEEG Practicum PLUS exam proctoring = \$820 + GST
- 3. Delegate registering for Saturday & Sunday NFB Practicum only = \$500 + GST
- 4. Delegate registering for Thursday to Sunday Practicums – NO exam = \$1000 + GST
- 5. Delegate registering for Thursday to Sunday Practicums – PLUS QEEG exam = \$1100 + GST
